# WELCOME

Dear Honored Guests,

On behalf of the Egyptian Association of Cognitive-Behavioral Therapy (EACBT), we have the honor and pleasure to welcome you to the 6<sup>th</sup> Annual Congress of the Egyptian Association "EACBT 2019" under thyme "Evidence-based Practices in Psychiatry" which will be held on February 28<sup>th</sup> – 1<sup>st</sup> March, 2019 in Luxor – the capital of Pharonic Egypt, one of the oldest cities in the world and at the exceptional site of the Jolie Ville Kings' Island Hotel.

We will ensure that the EACBT 2019 Congress will one of the most scientifically important events in Egypt and will make a significant contribution to Egyptian and indeed Arabian progress in that field.

We also feel privileged to be hosting several distinguished speakers from all around the world. Luxor is a charming city which takes pride in its ten thousand year history and rich cultural heritage.

In the very center of the town several temples – located in close proximity, forming an outstanding bridge between modern life and magical history.

Luxor can offer everyone a remarkable colorful blend of the past and the present. We believe the rich and varied scientific program, the diversity of colors and the coziness of our city and the traditional Egyptian hospitality will make your stay in Luxor unforgettable.

We will be happy to welcome you to the EACBT 2019 in Luxor.

*Most cordial regards,*

**Prof. Hisham Ramy**  
Congress President
